In 1991 if you donated \$101.00 or more to the Library Building Fund, you were granted a life Membership in the CHS Alumni Association. That was a good idea 20 years ago but times and the economy has changed. Thanks to all of you who contributed to the Building Fund we have a beautiful, state-of-the-art library. We will continue to honor the Life Members. However, that category of membership is no longer available.

The Alumni Association, just like all of you, has not been exempt from the ups and downs of the market. We have all suffered.

When the last Mid The Hills newsletter (11,000 copies) was mailed in February of 2010, 240 generous Alumni, some of them Life Members, paid their dues. There was not enough money collected to mail the newsletter. It costs \$3500.00 for each printing and mailing.

We have considered many options. Do we cease hard copy publication and make the newsletter available only our website? Not a good idea since all of the Alumni does not have access to a computer. Do we publish just once a year and hope when dues are paid it will cover the cost of printing and postage? Your suggestions will be appreciated!

The dues are used to publish the newsletter and to cover expenses for the All Class Reunions. 2012 should be the next reunion.

The Alumni Association will start meetings in February, 2011 to discuss fund raising ideas to raise money for the All Class Reunion. If you have suggestions or would like to be involved in the planning sessions, please e-mail the Alumni Office at ccsdalumni@mail.gsn.k12.oh.us or call the Alumni Office at 740-702-2287.
